

Unclaimed Equity (Capital Credit) Refunds

On the following pages is a list of SVEC members and former members who have not claimed their equity refunds. This refund was originally issued in June 2007 for the allocations of 1992 and a portion of 2006 allocations. Unless these equity refunds are claimed by October 10, 2008, they will become donated capital to the Cooperative, as per SVEC's Bylaws, Article VII, Section 2e.

If you should know any of these individuals, or their representatives, ask them to contact the Cooperative no

later than October 10, 2008. It is important that they contact the Cooperative so that we may update the equity account information with SVEC and refund any amounts currently due to them.

Please fill in the information below if your name or someone you are inquiring about is on the following list. Mail the form to: **SVEC, P.O. Box 236, Mt. Crawford, VA 22841.**

You will be contacted either by mail or by Cooperative personnel as soon as possible.
